Testimonials

A perfectly planned trip from beginning to end.

I just wanted to reach out and thank you so much for not only an amazing trip, but for making ____ birthday so special. She literally had the best time and I just wanted to thank you both for all your dedication to your students.

Amazing , unforgettable experience you provided for the kids! Very organized and very well planned! I can't wait to send my other 2 kids on trips with tusker travels!

It was flawless organizational-wise and taking 40+ teen girls is an accomplishment on its own- She is no stranger to travel and she felt "free" and empowered to be trusted to be on her own during free time in cities like Rome. Thank you for giving them an unforgettable experience.

Everything was perfect from beginning to end. Thank you for all that you do for your students.

Excellent trip with extremely dedicated and conscientious chaperones.

Everything was very organized and seemed to run so smoothly!

So thankful for how it was run from the initiation to the very end! I loved the apps (itinerary and cluster) as well as the places visited, coverage of hotels, flights, transportation in general, etc. Thank you, thank you, thank you!!!

Amazing experience. Very well run. Thank you!

Tusker travels staff was very helpful leading up to the trip. My son had the time of his life, and I heard the chaperones were very nice and treated kids like adults. Couldn't have gone better.

This was the most amazing experience for my sons, they had an incredible time and so many wonderful memories with their friends!!!

I wanted to reach out to extend my huge thanks to all of the teachers who poured their hearts into making the Italy trip one my daughter ____ will always remember. _____ used to be extremely shy and never in my wildest dreams would she have left the country without me, no less come home with story and story about the amazing time she had. I truly can't thank you enough. I know she made lots of core memories that she will carry with her forever. Thank you so much!

I want my other 2 kids to also experience Tusker Travels with you!" _____ had the best time! And I can't thank you enough for that!

Excellent! Wish he was able to do more trips before graduation!!

The apps were a huge help & easy way to follow the tour experience from home, while also keeping up to date on excursion. Information was shared in a timely manner. Communication was great.
